Dear Anthony,

Pakuranga Redevelopment.

We would like to take this opportunity to thank you & your team for the superb work carried out on the Pakuranga Redevelopment that achieved Practical Completion and a successful opening last Thursday.

We received outstanding support from your site personnel & your offsite support staff, which made the job a success. The onsite works were carried out safely, efficiently & to a very high standard, which reflects well on your company. We hope that this will continue through with the prompt completion of the forthcoming defects list.

Thank you again for your works over the past 20 weeks and we look forward to working with you & your team again in the future

Yours sincerely,
for **Westfield Properties (NZ) Ltd**
